<sup>a</sup>Institutional funds and other sources include an institution's operating funds, endowments, private donations, tax-exempt bonds and other debt financing, and indirect costs recovered from federal and nonfederal sources.

NOTES: Details may not add to totals due to rounding. This question on repair and renovation costs was not asked for FY 2000–01; therefore, no data are reported. Only repair and renovation projects costing over \$250,000 for a single field were reported for FY 2002–09; repair and renovation projects costing over \$100,000 were reported in previous cycles.
